Title: Web site development for "Dental Jimenez Odontología Integral"

Member roles:

- **Jonathan Toapanta – Scrum Master**
- **Freddy Rodríguez - Product Owner**
- **Angie Ramirez – Scrum Team**
- **Nayeli Tipantiza - Scrum Team**
- **Kevin Topón - Scrum Team**

Workplace:

Dental Jimenez Odontología Integral.

Context:

The development of the website for this business is mainly based on improving communication with the client, knowing more about the professionals with who they work and the specialties they handle to generate more confidence and have a greater field of arrival with clients. In the requirements, it is mainly necessary to implement the logo where the business is identified, attach general information and the specialist doctors in each area. It is important to emphasize that at the end of the page you must attach the social networks and a direct communication of WhatsApp.

Requirements:

- Logo.
- General information.
- Specialties Information.
- Information from doctors.
- Pictures.
- Communication.
- Dental clinic location.
- Direct communication with WhatsApp.
- Social Networks.
